# PRISON SHRINK 'MADE JAILBIRD HER SEX SLAVE'

By SPENCER LEWIS

A PRISON mental health counsellor faces 15 years behind bars herself after an inmate accused her of making him her "personal sex slave".

In an eye-wateringly explicit complaint, the inmate claimed that 43-year-old Theresa Lyn Simmons repeatedly demanded sex from him and told him that her private parts were "always wet" whenever she saw him.

## National Grid doubles plan for emergency

NATIONAL Grid has doubled its emergency planning exercises as concerns over energy shortages this winter continue to grow.

Potential scenarios, including the rationing of electricity, will be wargamed over four days, instead of the usual two, as part of "Exercise Degree".

A briefing document from the National Grid said it will take place on 13-14 September and on 4-5 October.

The annual operation, last year given the name "Exercise Celcius", only took place on two days in September.

National Grid said: "The exercises enable National Grid Gas, Government, and industry participants to test the effectiveness of industry-wide emergency arrangements in order to prevent, and – if unavoidable – respond to a gas supply emergency."

## New record for daily migrants

ALMOST 1,300 migrants crossed the English Channel in small boats on Monday, setting a new record for crossings in a single day.

The Ministry of Defence said 1,295 migrants made the crossing in 27 boats, topping the previous high of 1,185 last November.

It is the highest daily total since current records began in 2018.

So far this month 6,168 people have made the crossing in small boats, compared to 3,683 in July.

More than 22,560 people have journeyed across the English Channel so far this year.

## Eco-loons disrupt petrol depots... again

DOZENS of environmental activists from Just Stop Oil caused chaos outside two oil plants in England yesterday, including eight people occupying tunnels.

Up to 50 activists also staged sit-down protests, climbed on top of tankers and blocked traffic.

Around 30 protesters were involved in Grays, Essex, with at least 10 sitting on a road next to the M25, which is a key tanker route to and from the Navigator terminal, while another group occupied the Grays oil terminal.

Further north in Warwickshire, around 20 activists blocked or tried to block the two main access roads to the Kingsbury oil terminal.

Two of them climbed on top of a tanker after traffic was halted by roadblocks.

In addition, Just Stop Oil said five people were occupying two tunnels dug under St Clements Way and London Road in Grays, while another four occupied a further two tunnels dug near the Kingsbury terminal.

A protester posted a video of herself inside one of the tunnels, where she said she was struggling to breathe because of her severe asthma in the confined space.

The activist, called Stephanie, said: "I've spent the last five hours trying to get rubble out of the tunnel... it is increasingly difficult to be down here."

"I'm struggling to breathe, probably because I've got really severe asthma, but we don't really have much of a choice to be

here if I want to save my two children's futures. I'm having to power through and go up for air, go near the end as much as I can."

### Parliament

The demonstration comes six weeks ahead of the start of Just Stop Oil's plans to blockade Parliament for weeks in a war over proposals to expand production of North Sea oil, with those protests set to start on October 1.

## Flights axed over sick air traffic staff

SOME 26 EasyJet flights in and out of Gatwick were cancelled at short notice yesterday, with the airport blaming staff sickness.

A spokesperson said the London airport was facing staff shortages in its air traffic control tower.

It came as Gatwick reported its half-year results, which said it was "now very much operating business as usual".

Thousands of people have been hit by flight cancellations and airport delays already this summer.

The industry has struggled with staff shortages as demand for air travel has rebounded after the COVID pandemic.

Gatwick confirmed that 13 arrivals and 13 departures had been cancelled, out of a total of 180 EasyJet flights scheduled for Tuesday.

A spokesperson said: "At 7am, restrictions were put on the number of flights that can arrive into Gatwick due to late-notice staff absence in the control tower."

"Some flights during the day may be delayed or cancelled as a result."

## £150 disability cash slammed

UP to six million disabled people will begin to receive £150 from 20 September to help with the rising cost of living.

The Government said within a couple of weeks of the roll-out date, the majority of eligible people will be sent the cash to their bank accounts.

The payment is part of a package of measures introduced to help with the soaring cost of energy and food.

However, critics say the support will not go far enough, with household bills set to rise further this winter.

Tom Marsland, policy manager at disability equality charity Scope, said the support "isn't going to touch the sides in the face of energy bills set to reach more than £4,000-a-year by January".

## Cops plead for public to turn in little girl's killer...

CORDON: Police hunt gunman as community comes to terms with shocking incident

**COPS** have urged members of the public to turn in a "cowardly individual" who shot dead a nine-year-old girl in a Liverpool home.

An unknown man was reported to have fired a gun inside the property in the Dovecot area of the city at 10pm on Monday.

The schoolgirl – named yesterday as Olivia Pratt-Korbel – was shot in the chest and died in hospital.

A man also suffered gunshot

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

wounds to his body and a woman was shot in the hand.

Merseyside Police has put a cordon in place as officers hunt the gunman.

Assistant Chief Constable Jenny Sims said the shooting was "truly shocking".

### Loss

She added: "No parent should ever have to suffer the loss of a child in these dreadful

circumstances. This crime is abhorrent and our communities must come forward and tell us who is responsible.

"This cowardly individual does not deserve to be walking the streets and I would urge those who know anything to speak to us and tell us what they know, so that we can put the person responsible behind bars where they belong."

The girl's next of kin has been informed.

The injured man and woman were taken to hospital after the shootings in Kingsheath

Avenue. Police said house-to-house and forensic inquiries would be carried out.

The force has been appealing for dashcam, CCTV and mobile phone footage from anyone in the area at the time.

West Derby's Labour MP Ian Byrne, whose constituency includes the street where the attack took place, said that residents were "all struggling to process it as a community".

He said he would be asking his constituents to "help the police and give them as much information as possible".

## NOT NOW, TONY

### Ex-PM sticks his oar in over schools

SIR Tony Blair's think-tank has been accused of "dumbing down" education after it called for GCSEs and A levels to be scrapped.

The Tony Blair Institute wants them to be replaced by "continuous assessment", with pupils getting just one general qualification at 18.

It also wants Ofsted to be "reformed" to stop focusing on

the "curriculum", in a bid to stem "widespread fear" of the regulator among schools.

But critics said the proposals risked lessening standards by making everything easier for both pupils and teachers.

Continuous assessment – breaking down testing into bite-sized chunks – tends to be less challenging than having to

revise several years' worth of work for a big exam.

Chris McGovern, of the Campaign for Real Education, said:

"Educational initiatives from the Tony Blair stable should come with a warning. Continuous assessment is educational speak for dumbing down – it gives the green light to over-generous marking and grade inflation."

## Tight pants babes want tidy minges

By MILES PLATTING [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

THE number of women seeking 'designer vaginas' has doubled in recent years due to the rising popularity of sports leggings, a top plastic surgeon claims. Labiaplasties involve reducing the size of the labia minora - the flaps of skin either side of the vagina, known as pissflaps - and cost up to £4,000. Dr John Skevofilax, chief surgeon at Juvenis Clinic, says there has been a surge in demand. Dr Skevofilax said women were seeking labiaplasty because tight clothing like leggings 'draw attention to the labia'. Here at *Midweek Sport* we LOVE a camel toe and think they should be celebrated with a pair of tight leggings. We, of course, are not suggesting these ladies have had designer vaginas sculpted - but they look GREAT as they are.

TELLY beauty Laura Whitmore has announced she is stepping down as host of *Love Island*.

The 37-year-old (above) has fronted the hit ITV2 dating show – and its spin-off series *AfterSun* – since 2020, following the death of the programme's former host, Caroline Flack.

Writing on Instagram, Laura said flying to South Africa for the upcoming series would be very difficult and also cited “conflicting projects”.

She has hosted the last three series of *Love Island*, which first aired in 2015.

Laura added: “There are certain elements of the show I’ve found very difficult that cannot be changed, some due to the format, including the flying back and forth to South Africa along with my new conflicting projects.”

“I wish it was still possible, but know you’ll be in safe hands. I was only planning to fill in for Caroline for a series and it turned into three series.”

“I hope I did you proud, Caroline.”

The incident, which took place in March, saw police officers arrest the man in Leeds.

He was said by police to be walking through the train’s carriages, flashing and filming it at the same time.

However, at the time of the arrest, British Transport Police said they were given false details by the man in question.

Following further enquiries, the man was traced back to Clitheroe, Lancs, where he was arrested again on suspicion of perverting the course of justice.

A spokesperson for British Transport Police confirmed: “The man was arrested at Leeds after he walked through a train, exposing his genitals, and filmed it. He gave false details.”

## A PRISON counsellor is facing charges of sexual assault after a schizophrenic lag accused her of months of abuse.

Theresa Lyn Simmons, a former behavioural health counsellor, was employed at the Family Outreach Centre – a prison mental health facility in Kent County, Michigan – as a third-party contractor where she allegedly preyed on an inmate.

The 43-year-old was arrested on August 16 for sexual conduct of a county inmate.

Michigan law says an individual is “guilty of criminal sexual conduct in the second degree” if they engage in unlawful “sexual contact with another person”.

In this incident, it refers to “a prisoner or probationer under the jurisdiction of a county”.

If found guilty, Simmons could face up to 15 years behind bars.

The schizophrenic lag filed a federal lawsuit claiming abuse in graphic detail.

### Manipulative

The file claims she subjected the inmate to “manipulative mental abuse, excessive sexual abuse, frequent sexual assaults”, even bribing the mentally ill man to “perform sexual favours”.

“I am telling the complete truth. I have no reason to be dishonest,” he said.

In the often rambling complaint, the inmate refers to Simmons as a “mental health sheriff” that he first encountered after he was sent to “the Hole” – a solitary confinement cell.

“I talked to Theresa Simmons several times, one day she gave me some writing paper with a short letter that said, ‘Mama wants to see your BBC every time I come to visit with you my king,’ the inmate wrote.”

“I didn’t know what I was supposed to do.”

The inmate claimed

that Simmons would sometimes “knock on my door with her breasts exposed... so when I wake up her breasts are the first thing I see.”

He gave a detailed description of Simmons’s nipples and a tattoo “above her right breast”.

“In mid-October early November she wrote me a letter telling me it’s OK for me to show her my penis, and that she was tired of her husband and his missionary sex. And that her vagina is dripping wet every time she sees me. And that I have to start doing as Mama says,” court documents said.

“I figured I have to listen to her. Because she liked me, even though I tell her the truth that I hear voices in my head, and that I have three people living in my head and that I see spirits and that sometimes she would control me and talk to me in my head.”

### F\*\*k

“She would also write me and tell me she wants to ‘f\*\*k the shit out of me’. She would also tell me she can lose her licence for telling me that.”

“I don’t understand what a driver’s licence has to do with sex, though,” the inmate wrote.

The inmate further claimed that Simmons called him “her personal sex slave”.

# SICKO SOLD BODY PARTS ON FACEBOOK

NICKED: Jeremy Pauley

**A SELF-described "human blood artist" was arrested for peddling body parts that had been swiped from a mortuary.**

Jeremy Pauley, 40, of Enola, Pennsylvania, has been charged with abuse of a corpse, receiving stolen property and dealing in proceeds of unlawful activities.

East Pennsboro Township police said in a statement that on June 14 investigators received a tip about suspicious activity at Pauley's home.

A probe found Pauley, a body modification artist whose face is covered with tattoos and whose head is decorated with metal spikes, was allegedly buying human body parts from a woman in Arkansas identified in court files as Candace Scott.

"Those human remains were being sold on Facebook for monetary gain," police claim.

Pauley was arrested on July 22 and released on bail.

A spokeswoman for the University of Arkansas for Medical Sciences, in Little Rock, said the body parts at the centre of the criminal case were to be donated to UAMS's facility, but

By **BRAD CHADWICK**

they were instead swiped from Arkansas Central Mortuary Services in Little Rock by a female employee and sold.

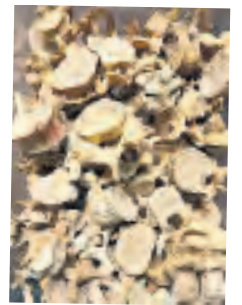

So far, no charges had been filed against Scott, the Arkansas mortuary employee.

## Teeth

On a Facebook page under his name, Pauley has posted pictures of femurs, vertebrae, clavicles, ribs and human teeth for sale.

One of the images shared on August 16, three weeks after his arrest, was captioned: "Picked up more medical bones to sort through."

Pauley told cops he intended to resell the body parts and officers allege he arranged to pay Scott £4,000 for the body parts, including half a human head.

According to a witness, Mr Coronado was asking Crenshaw for directions when he suddenly attacked him, stabbing him in the arm before fleeing on foot.

"I'm not from here, and this is not what I came for. I came for a vacation," Mr Coronado said.

"I just said, 'Do you know where this is?' but as soon as I talked, the only thing he reacted was... he just cut me."

After being found near the scene by police, Crenshaw told officers that he was lying down when a man came up to him and punched him in the head.

Crenshaw said he pulled the pair of scissors from his suitcase with his feet and stabbed the man twice to defend himself, according to officers.

"Why would I go and attack someone else? No, no, I wouldn't do that," Mr Coronado said.

"It's like, how the hell did I get stabbed? Like, is it the right guy at that point? Because I can't believe with his legs someone could do that."

Crenshaw is now being held in jail.

He once gained internet fame by appearing in one of online celebrity Dave Portnoy's very popular reviews of Blocks Pizza Deli in Miami Beach.

"And don't forget to give it to a crack addict," says Crenshaw to Portnoy, who is seen holding a box of pizza in the video.

## Strippers get equity status

**TITTY -swinging strippers are set to join a union to protect their rights.**

The majority of the 30 exotic dancers who are employed at Star Garden Topless Dive Bar in North Hollywood, California, filed a petition with the National Labour Relations Board for a vote to be represented by the Actors' Equity Association.

If the employees are successful, and election results are certified by the board, they would become the first strippers in the US to be represented by a union.

Actors' Equity is a national labour union that speaks for more than 51,000 actors and stage managers working in live theatre.

A spokesman said the dancers "need protection from sexual harassment, discrimination and unjust terminations".

## COPS FIND TIGER AT RAP STAR'S HOUSE!

COPS who went to arrest a rapper on a guns charge found a TIGER in his house.

Rapper "Trapboy Freddy" was arrested at his home in Redbird, Texas, on a count of possession of a firearm by a convicted felon, said Chayna Humphrey, a spokesperson with the Bureau of Alcohol, Tobacco, Firearms and Explosives.

The tiger cub was discovered as police assisted the US Marshal's Service in serving the warrant.

"The cub was in a cage at the location," said Cpl Melinda Gutierrez, a police spokesperson.

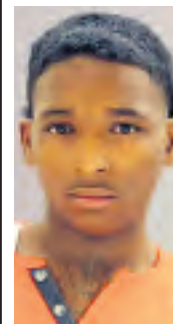

The animal was taken by Dallas Animal Services, who haven't yet said what it will do with the cub.

### Dangerous

Dallas city code prohibits residents from keeping any animal in a residence that the state classifies as a "dangerous wild animal."

Texas health code includes tigers in that category.

Trapboy Freddy, 30 (left) – real name Devarius Donte Moore – entered a not guilty plea in federal court and was released on bail.

## Bar head-butt attacker 'kills father-in-law'

A MAN faces charges for allegedly killing his father-in-law by HEAD-BUTTING him at a local bar.

The Fort Worth, Texas, Police Department was called to Woody's Tavern at around midnight after a fight broke out between John Birdwell, 38, and 66-year-old Robert Bearden.

Birdwell was talking to his wife's dad at the bar about his troubled marriage and Mr Bearden was trying to convince his son-in-law to sign divorce papers.

But Birdwell (above) lost control and grabbed his in-law's head before head-butting him three times, according to the arrest report.

The assault carried on until both men fell to the ground, leaving Mr Bearden unconscious from the attack.

Other drinkers were forced to pull Birdwell away from the victim.

Birdwell fled the scene after the attack and Mr Bearden was taken to a local hospital where he later died from his injuries.

The Tarrant County Medical Examiner's Office said the cause of death was blunt head trauma.

Birdwell is being held in the Tarrant County jail.

**WOMAN HATER:** Madison said he was 'pretty sure' he'd killed more than just three women

**VICTIMS (from top):** Angela Deskins, Shetisha Sheeley and Shirellida Terry

This is ugly, trust me. "I'm numb right now, I'm truly numb."

Realising they were potentially looking at further murder victims, detectives returned to Madison's home.

The court documents add: "Some 15 minutes after beginning their search of the neighbouring fields and abandoned houses on July 20, the detectives found another body."

The discovery was made in a field behind a garage that was located near Madison's apartment building.

### Debris

"It was another garbage bag, covered over with debris and vegetation."

"Once the debris was removed, the bag was clearly visible."

"A few hours after discovering that first garbage bag, the detectives discovered another similarly shaped bag in the basement of a nearby abandoned house on East 139th Street, located below one of the broken basement windows."

"They theorised that the body had been dropped through the window."

The abandoned house was less than a hundred yards from Madison's apartment building."

The bodies were later identified as Shetisha Sheeley and Angela Deskins.

Fearing this might just be the tip of the iceberg, cops began asking Madison if there were even more bodies.

While he scoffed at the notion of 10 victims, calling that number 'extreme', he added: "Only time will tell. If there's three, I'm pretty sure there are more."

During his trial, several women came forward to testify Madison was a woman-hater.

Neighbour Eugenia Thomas said: "He got upset with women."

"He talked about hitting them and tying them up. He liked

submissive women."

When Madison was eventually handed his death sentence, Cuyahoga County common pleas judge Nancy McDonnell told him: "You clearly have no respect for the law and no respect for human life."

It might take years for the state of Ohio to jab a lethal injection into Madison's arm.

And for family members whose loved ones have been taken away, that day can't come soon enough.

Shetisha Sheeley's sister, Samara, said: "If you get the injection, you take the easy way out. It's a lose-lose situation here and it makes me think selfishly."

"Thinking that your family will get to see you behind bars makes me want to see you die."

**COLD REACTION:** Madison is given the death sentence

coming from Madison's garage, as well as the presence of 'hundreds of flies'.

Court files reveal: "Upon entering the garage, police located a large plastic bag jammed between the vehicle and the wall of the garage."

"Officers pulled the bag out onto the driveway and began cutting into it."

"After cutting through six layers of garbage bags, a large amount of fluid began to seep out of the container and run down the driveway."

"At that point, realising the bag might contain something other than decaying garbage, the officers stopped what they were doing."

"It was promptly determined that the bag contained a body."

"The body was

# TEENAGE NONCE HAD SEX WITH DOG

**BAILED:** Nikolas Sarabyn and a dog similar to the one he had sex with

## Vile images found on nerd's hard drive

WHEN cops got a tip that teen nonce Nikolas Sarabyn was looking at illegal pornography, they wasted no time.

After a report from the Internet Crimes Task Force, officers smashed down the 18-year-old's door in Cary, Illinois.

His hard drive was later found to be crammed with vile filth and he was charged with 17 counts of reproduction and possession of illegal pornography.

But, according to Cary Deputy Police Chief Scott Naydenoff, there was more...

Because analysis of Sarabyn's data found other images that showed he'd been having sex with his own DOG!

### Probe

Mr Naydenoff said: "During the probe, detectives discovered Sarabyn engaged in sexual conduct with a dog at least once."

"He was additionally charged with one count of sexual conduct with an animal."

Sarabyn was arrested and later released from

custody on bail.

He is scheduled to appear in court later for a status of preliminary hearing.

A police source said: "You only have to look at this warped sonofabitch to know he's a not-right."

"God only knows what's going through that twisted nerd head of his."

"I do know that the chances are he's going to end up in jail and, by jiminy, he's going to find out all about sex crimes in the county jail."

"They will pass that dirty little mother\*\*ker around like a plate of biscuits."

# JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

CAGED: Fraudster Andrewes

## Who are the faceless pen-pushers gobbling up YOUR money?

**YOUR fingers tap impatiently on your steering wheel, waiting for the temporary traffic lights to change to green.**

The streetlight at the bottom of your road has been out for weeks.

Bins are overflowing. Rats are thriving in the back alley. Some f\*\*ker's dumped a mattress outside your house.

Who do we look for to fix any of this? Your local council.

But who are these people?

Not the ones who turn up on your doorstep every few years, asking you to vote for them – they're just easy-come, easy-go politicians.

Like buses, there will be yet another one turning up before too long.

No, the real power in your local town has bugged all to do with the mayor, or the fat, red-faced bloke who occasionally appears in your local newspaper.

### Power

The real power lies sat in largely grey suits, occupied by – mostly – men you have never heard of, earning eye-watering salaries above and beyond that of the Prime Minister.

And while we can only shrug our shoulders, accepting if not really quite understanding that's just the way life is, do we not let these people carry on without necessary scrutiny?

They do, after all, wield enormous if anonymous power over huge parts of our lives, even if it is the mainly mundane stuff that still needs to get done – like emptying the bins.

And it's the same story in the upper echelons of the NHS.

You might be lucky enough to know the name of your GP.

But you almost certainly do not know the name of the man or woman in charge of your local hospital.

Last week, a story popped up about Jon Andrewes, a former NHS executive who spent years in top jobs, raking in all the benefits that come

with being a top civil servant.

The massive salary. The gold-plated pension. The kudos of being able to lord it over the workers scrambling away to pay their bills, way above those on the lower rungs of the salary ladder.

Only there was a bit of a problem. Andrewes was a fraud.

His CV was bollocks.

It's been reported that over more than a decade, ex-builder Andrewes lied his way into roles at two South West health trusts.

He was also made chief executive of St Margaret's Hospice, a palliative care charity in Taunton, Somerset, on £75,000-a-year.

In total, he earned £643,602.91.

Then, in 2017, Andrewes was exposed and convicted of fraud, jailed for two years and ordered to hand over all his remaining assets of £96,737.

So why should you give a toss?

Well, most of us are about to find ourselves in the direst financial circumstances of our entire lives.

We know our energy bills are rocketing.

The supermarket shop is painful. Thanks to strikes, train fares will rise. So will the cost of stamps.

Everything is going up, while incomes largely remain the same.

And then, eventually, that council tax envelope will land on your doormat demanding yet more money for ever-decreasing services.

The letter will be signed off by a nondescript "director of finance" or maybe even the "chief executive" – who used to be called town clerks before they started marking their own homework.

And will you know who this person is, who has so much influence, and earns so much of your money?

Almost certainly not.

Which is why we need to be taking a lot more notice of the people who lurk ever presently in the shadows of our everyday lives.

Because they might just be called Jon Andrewes.

# 'I got so turned on just watching him jerk off...'

## #MY SEX FANTASY

WITH PATTY MICHOVA, 34F, FROM CAMDEN, NORTH LONDON

**I LOVE having sex on my webcam – I get such a thrill from it!**

I've done it with several exes and it started with one bloke who I was in a long-term relationship with.

I would get dressed up in sexy lingerie and get all my naughty toys out.

We'd start talking dirty and I would pretend I'm a webcam girl and he was my customer, telling me what to do.

I would lick a banana to tease him and he would tell me to do things like play with my breasts.

When we got really worked up, things would get explicit and I would use a dildo or vibrator on myself.

I got so turned on watching him jerk off to the performance I was putting on.

And it gave me a taste of what it must be like to be a webcam performer.

I have a friend who does it and she said she talks online to men about their sexual fantasies and sometimes takes her clothes off and uses sex toys on herself for them to watch and enjoy, too.

I reckon that I'd be amazing at it. I think I'd do well because I find it so arousing!

## Suspect slips out of cuffs to grab cop gun

A HANDCUFFED woman grabbed a police rifle and fired it out of the back of a patrol car – blasting a civilian and a cop.

Officers responded to a wellness check at a home in Blanchard, Oklahoma, and took a female into custody, placed her in handcuffs and into the back of a marked SUV.

Video taken inside the vehicle shows her squirming in the backseat, slipping one hand out of her cuffs and then fishing out the rifle.

She loads it, aims out the window and begins firing.

Officers' bodycams recorded the civilian getting shot in the chest.

A cop also suffered a minor injury when a bullet grazed his head.

The victims scrambled to take cover behind another cop car as they called in the incident.

Both victims were treated in hospital with injuries that were not life-threatening.

The suspect, Rachael Zion Clay (above), gave herself up, and is being held at the Grady County jail on a charge of shooting with intent to kill.

## Fact me!

BEFORE trees were common, the Earth was covered with giant mushrooms.

## Locals stick it to kangaroos

A TINY town in Australia's Outback is fighting off a horde of kangaroos, with locals saying there are "too many to count".

Maaroom, just south of Hervey Bay in Queensland, is home to just 219 people, and a seemingly endless population of kangaroos.

Residents say they've been walking around with sticks to fend off the marsupials, who they fear will pounce on unsuspecting victims.

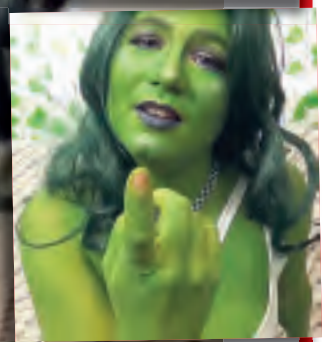

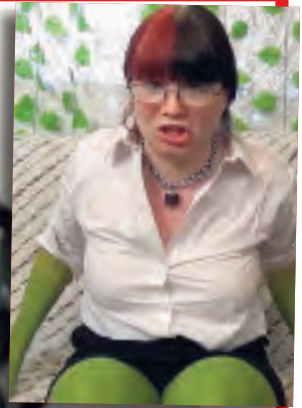

"They're constantly hopping around the park in between caravans," Caravan Park manager Karen Sutcliffe said.

"People are walking around with big sticks. I've been wanting to go fishing but I won't do that, in case a kangaroo gets me."

Local Mark Sidaway said recent torrential rain had ballooned the 'roo population in the region.

DISNEY STAR: Tatiana in new series

SPOOF: Ami strips off to thrill porn fans

# DON'T MAKE HER RANDY... YOU WOULDN'T LIKE HER WHEN SHE'S RANDY (or maybe you would!)

**SHE-Hulk: Attorney at Law** is the latest bid by Disney+ to wring every last drop of profit from the Marvel Cinematic Universe.

While in the original *Hulk*, Bruce Banner was a boffin, in the new show Jennifer Walters has a complicated life as a single lawyer in her 30s who also becomes the 6ft 7ins green superhero She-Hulk.

Jen, played by Tatiana Maslany, specialises in superhumans' cases and becomes all hulk-after she gets accidentally contaminated by cousin Bruce Banner's blood.

The show premiered last week and already there are X-rated spoofs of the series online.

One of the first to appear on grot site Pornhub was by content creator Ami Mercury.

"squirting" version and as she climaxes, Ami squeezes the toy's balls before a jet of synthetic semen gushes out onto her convulsing slot.

### Fetish

On her Pornhub page, pierced-nippled Ami describes herself as: "I'm Ami Mercury. I'm a geeky, alt cam girl and fetish model."

"I try to make my videos sexy, but a little different."

One *Hulk* fan said: "I'm not entirely sure the world is ready for green porn just yet."

"But I suppose there is someone out there somewhere having a big, sweaty wank over it."

"Nowt so queer as folk, as my dear old nan used to say."

# THE WORLD FAMOUS AGONY

Page

**Dear Dani,**

I'M a 23-year-old bloke and my girlfriend is twice my age.

She's a bubbly blonde divorcee who still has a cracking body and she looks a lot younger than her age.

I met her in a pub six months ago and on the first date I invited her back to my place and we had an amazing shag.

She loves sucking my cock and we shag in loads of positions. Occasionally, she even lets me slip it up her bumhole, too!

But my parents are giving me a lot of grief about her. They think I should be going out with a girl my own age.

Are they right?

CF, Tyneside

### Dani says...

**YOU'RE** plenty old enough to decide who you see.

**Dear Dani,**

FOR the last six months I've been letting men film me having sex with them for £30

I'm a 31-year-old single blonde mum with two kids and virtually everyone down at my local pub has had me.

The first time I did it was with my neighbour, who is 52. He stripped me before making me suck his cock.

He then f\*\*ked me in both holes and was telling me that I'm a dirty slut that needs punishing as he pounded into me.

It turned me on and, to be honest, the money is just a bonus.

I've done everything. I've been tied up, spanked, wanked on, f\*\*ked, I've spanked punters and given blowjobs.

I just can't get enough. What can I do?

*LH, Essex*

### Dani says...

**JUST** lie back and think about all that money you're making.

# I've no chance of matching wife's nine-inch sex toy

**Dear Dani,**

I GOT a shock the other week when I came home from work to find the missus spreadeagled on the bed.

Her glistening fanny was filled with the biggest vibrator I'd ever seen.

She was oblivious to me as I watched her from just outside the doorway.

The dirty old cow was plunging this fearsome device in and out of her snatch.

It was at least nine inches long, with pronounced ribs and "veins" on it.

It was certainly hitting the spot as my wife arched her back and cried out with pleasure.

I didn't know whether to speak or not and finally decided to just sneak back downstairs and call a cheery welcome – as if I'd just come in and put the kettle on.

When my wife appeared, somewhat flushed I have to say, I asked what she'd been up to.

She claimed she'd just been catching up on a bit of dusting.

I don't think I'll ever match up  
to that great veined throbbler.  
What can I do?

TR

# Sneaky sex vid led to swinging session

Dear Dani,

**I FIND myself in a dilemma after I'd been caught shagging my neighbour's wife.**

She loves me to f\*\*k her while I'm wearing her bra and knickers – and I get a kick out of it as well.

One night, her hubby invited me and my wife round for a few drinks.

He put a film clip on his laptop. To my horror, it showed me and his missus in bed a couple of days earlier. He had been hiding in the wardrobe to film me banging his wife while dressed in her lingerie.

But I got an even bigger surprise when I glanced at my wife. She didn't seem at all shocked – even as she saw her neighbour insert a small vibrator up my arse while I screwed her.

I felt sure she'd kick off big-style, but instead she just wanted to know why she had not been invited to take part in our sex games.

We all got pissed, and the upshot was that we decided to indulge in some partner-swapping.

My wife was soon stripped to her briefs, through which you could see her damp and hairy minge.

## Banging

Before I knew it both my neighbours were on her, with the woman licking out my missus as she sucked on the bloke's fat prick.

When he'd shot his hot spunk over her face, I got my dick in her gob and she sucked me off while the neighbour's wife licked my balls and bumhole.

As this was going on, the neighbour was banging away at my missus.

Then they told me to dress up in my

wife's undies and get it on with the wife, just like on the sex film clip.

My neighbour began filming my wife thrusting a vibrator up her juicy twat.

I spunked over the neighbour's tits and my wife licked it up.

We indulged in all sorts of sexual cravings. It was a great night and we're planning to do it again.

But I fear this sexual awakening has radically altered my wife's thinking, because she now wants me to wear lingerie under my ordinary clothes.

I've refused. But she keeps persisting and has even gone as far as accusing me of being unreasonable.

What do you say?

AP, Somerset

Dani says...

**YOUR wife is feeling liberated... but she is being unreasonable.**

# Carpet fitter is so cocky on the job!

Dear Dani,

I'M a married working mum and had lost interest in sex until I had a day off to take delivery of a new bedroom carpet.

When the fitter arrived, he turned out to be a good-looking lad in his mid-20s, bulging out of his T-shirt and shorts.

I showed him upstairs and we got chatting and I don't know what came over me but I said: "Bet you've got a big cock!"

He laughed, dropped his shorts and there it was before me – it was about 10 inches and fully erect.

So 15 years of being faithful went out of the window. I didn't even think, I just knelt down and wanked and sucked that monster dick as if my life depended on it.

## Pounded

Then I took him into the next room, where he stripped me off and buried his head between my thighs.

His technique was fabulous as his hot tongue worked up and down the length of my slit before prodding my love-button.

He gave me the best f\*\*k of my life. It was so good that I went out and bought an off-cut for the hall, so he could return for another session the following week.

He did and the sex was even better. He pounded me with his massive cock until I nearly passed out.

I can't keep buying carpet, but I want his cock. What should I do?

DG, west Yorkshire

Dani says...

**TELL him you want regular fittings – without the carpets!**

Dear Dani,

MY missus has turned into a slave driver – both inside and outside the bedroom. I'm unemployed, so she leaves me a list of duties to do during the day while she's at her office job earning money.

She also gives me sexual "duties" to perform, both before and after work.

For instance, I get up at 6.30am and wake her by giving her oral sex.

This always starts with me fondling her vagina before going to work on her clitoris with my tongue until she orgasms.

Then I run her a bath, help her into her work clothes and even polish and put her shoes on her feet.

When she comes home, I take off all her clothes and serve her a meal.

Once she's finished, I have to strip off and lie on the floor at the foot of her chair and she uses my back as a foot stool while watching her favourite soap on the box.

I have to finger her during the adverts, then I lie on my back while she massages my cock with her feet.

To be honest, I'm a bit knackered and fed up.

It would be heaven just to be left alone to watch a bit of sport on the telly in peace.

Any suggestions?

MD, south London

# #HOT'N'HORNY

**W**ELSH wonder Jaye Rose is delighted we're in summer because she loves being nude in her garden. The beauty said: "I love stripping off and sunbathing naked."

"I assume the neighbours can't see me lying there starkers – certainly nobody has complained!"

And she also likes a bit of indoor action, too.

Jaye loves lubing up her massive 32E boobs to give lucky fellas an amazing tit-wank.

Jaye, from Cardiff, said: "Not many blokes have been with a woman with huge boobies like mine."

"So they've never really

felt the sensation of having the entire length of their cock enveloped by a huge pair of fleshy boobs. I love doing that."

"All it takes is a bit of lube or baby oil and they're in heaven – it's like they're in a different world!"

"Every time I've done it, the bloke involved has told me it was the best sensation ever."

"And I love it, too – not only do I get off on them feeling good but it feels nice for me."

"I usually make sure to catch their spunk in my mouth at the end of it."

"Well, it's only polite after all!"

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another £5 OFF the already low, low price.

*Down On Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

## KIRA QUEEN

FACTORY manager Ray Bailey emailed us desperate to see his favourite model Kira Queen naked.

Ray, 62, from Sheffield, says he fancies the pants off the Russian-born babe.

Kira boasts a 34D handful and Ray said he can't help but ogle them, adding: "Back when I was working, me and the lads would pass photos round the factory floor."

"I remember the first day I clapped eyes on her."

"I was stiffer than the old, creaky machinery in desperate need of a good oiling!"

# In-form Charlie has the Power

**SENSE OF POWER can keepup Charlie Appleby's blistering run of form and gain a second win in Kempton's Unibet Support Safe Gambling Novice Stakes.**

By MIKE FRANCIS

The Godolphin-owned gelding showed promise on his first run over the course and distance when touched off by subsequent winner Laasudood in maiden company. He made no mistake on his belated return at Newmarket last month when beating odds-on favourite Royal Parade, who is in the same ownership.

## Beating

That one franked the form with ease at Yarmouth next time and Sense Of Power should take a bit of beating in this slightly better race.

His jockey, champion-elect William Buick, could be in for another good evening, as he has several decent chances, which include Sea The Casper for Simon and Ed Crisford.

A dual 10-furlong winner earlier this year, he was far from disgraced in better company on quick ground at Ascot last time.

While subsequently gelded, upped an extra furlong on a

surface that should suit, he may have too much for his rivals in the Unibet3 Uniboosts A Day Handicap.

At Catterick, Brian Ellison's grand campaigner Nietzsche can make a drop in class count in the Fascination By Cherished Handicap.

The nine-year-old has won four times on the Flat, four times over hurdles and three times over fences. That's a decent enough record that can be improved here.

He has not managed to get his head in front since a Listed chase win at Ayr in April of last year, but there has been merit in his last couple of efforts at Sandown and Thirsk.

Stepping back up in trip following a 2lb ease in the weights, he should make his presence felt.

Midnight Moll is expected to give weight and a beating to her rivals in the holidayathome.co.uk Fillies' Novice Stakes.

The Newmarket debut winner ran a fair race on her return to the July Course on her second start when fourth behind the seriously impressive Laurel.

The penalty proved beyond her that day, while the way she faded late on over the mile suggested she will be seen to better effective back over the

seven furlongs she faces in North Yorkshire.

Midnight Moll has significantly less on her plate and is difficult to oppose.

Sir Joseph Swan can get punters off to a fine start at Lingfield, with Amanda Perrett's four-year-old having the very capable assistance of Simon Walker in the Racing League On Sky Sports Racing Amateur Jockeys' Handicap.

Fanzone did not quite see out the mile at Chelmsford on his latest appearance, but the form of his previous effort when runner-up to Monhammer at Musselburgh reads well.

## Bidding

Back down in trip off the same mark, Liam Bailey's course and distance winner should make a bold bid on his return to the Scottish track for the Isobel Townsend Handicap.

Presenting Pete rates the best bet over the jumps at Sedgefield.

The five-year-old justified favouritism in a couple of Southwell handicaps, yet was a little too keen when bidding to complete his hat-trick at Worcester last week.

The Roflow Environmental Engineering Specialist Ventilation Services Handicap Hurdle is a good opportunity for John Mackie's charge to regain the winning thread.

# Casemiro: United ARE biggest club in the world

**HERE TO WIN:**  
Casemiro is not chasing money

## I DIDN'T MOVE TO OLD TRAFFORD FOR THE MONEY SAYS MIDFIELDER

**CASEMIRO insists his move to Man United is not motivated by money and says he's out to succeed at what he believes is "the biggest team in the world".**

The Brazilian, who has enjoyed a glittering career at Real Madrid, winning five Champions Leagues and three LaLiga titles, is United's fourth summer signing for a fee of £60m.

United have struggled to compete for trophies in recent seasons leading many to suggest Casemiro's move was driven by money.

But the 30-year-old said during his farewell ceremony at Real Madrid that he is excited by the challenge at Old Trafford.

"Those who think I'm leaving for money is because they don't know me," Casemiro said.

"I think there are a few people and they don't know

**By JOHN ANTHONY**

me. It's not for money. They're wrong. That's not the case.

"At the end of the Champions League final where Real Madrid beat Liverpool I had the feeling that my cycle was over.

"I am honest. After the holidays, with a clear head, the feeling was the same. It wasn't that fast. I already spoke with the club as soon as the Champions League finished.

"People don't forget the club I'm going to, the biggest team in the world and that can compete with the greatness of Real Madrid, although now it doesn't."

Cristiano Ronaldo won four Champions League titles alongside Casemiro for Real Madrid but has been strongly linked with wanting a move away from Old Trafford this summer.

"I haven't spoken to Cristiano, I hope he stays because he's one of the best

players of all time," Casemiro added.

United manager bErik ten Hag has prioritised improving midfield, with the signing of a holder in Casemiro's mould one that many have suggested has been needed for a number of seasons.

The Brazilian says he

wants to bring the success he enjoyed at Real to United.

"This change is my big challenge now.

"I spoke to my wife just three days ago and my wife said I look like an 18-year-old kid who is super excited about his new project, and I really do feel so excited about playing in the Premier

League now," Casemiro added. "It's a club with great history, I will have to work hard to make a name for myself because there, I have won nothing yet.

"At Manchester United, first of all, what I want is to transmit the way I feel about the club, my respect.

"Everything I did here at Real Madrid, I want to do there too.

### Moment

"I want to show my fighting spirit, capacity to work hard, professional attitude. I want to work hard every day to show how serious I am. I want to win the league there, I know it is an exciting league.

"I am going through one of the best moments of my career. I feel I'm really fit, mentally I feel great, and I want to continue to enjoy my day to day and hopefully I can do that there. I feel like it's a great moment to take this decision."

**HIGH HOPES:** Parker

## Senesi can help keep Cherries up

**By WES DERBY**

**BOURNEMOUTH** head coach Scott Parker is confident "aggressive" Argentina defender Marcos Senesi can help keep his squad on the front foot in their battle for Premier League survival.

Senesi signed from Dutch club Feyenoord in a £12.6million.

The 25-year-old bolsters Parker's options and the centre-half will offer some extra defensive options, with midfielder Jefferson Lerma having been deployed in a makeshift back three already this season.

"I was pleased we've managed to get Marcos in, a player we've had our eye on," Parker said.

"He is a South American defender in the sense that he is an aggressive, front-foot defender.

"We don't want to rush him in, but for sure, he is going to be involved plenty for us this season."

Experienced goalkeeper Neto has also arrived from Barcelona and Parker accepts it will take time for players to adapt to their new surroundings and the new league.

"It is difficult when you come in from different countries, different environments, different cultures," the Bournemouth boss said.

### Running

"I am very conscious on how players settle in and sometimes it can be quite daunting.

"I think this is quite an easy environment to come into, a young squad, and both boys seem to have hit the ground running."

Fellow summer recruits defender Ryan Fredericks (calf) and midfielder Joe Rothwell (quad) all arrived with niggling injuries but are finding their feet on the south coast now.

"Ryan's come on a little bit, he's out on the grass with us and he's pushing ahead in the right direction," Parker said.

"He is probably a few days or maybe a week or two away from being fully integrated into training with the rest of the first team.

"Joe is a little bit behind that and is still not out on the grass at this moment in time.

"He is progressing in the right way, but given where his injury was, this is where he currently is. We'll just have to wait.

# NO-ONE LIKES ME I DON'T CARE

**Marsch knows  
he'll never win  
with Bielsa fans**

## LEEDS boss Jesse Marsch knows one big win against Chelsea won't be enough to win over the doubters.

The American accepts he is still unpopular among some of the Elland Road die-hard Marcelo Bielsa supporters after replacing the Argentinian in February.

But the manner of Leeds' 3-0 walloping of Thomas Tuchel's title hopefuls can only help appease the sceptics.

Marsch, whose side rose to third in the fledgling table, said: "There is probably still a lot of doubt in me. It's ok. It's normal. "There are going to be people that like me and people that hate me. I just want the team to play with love, passion and belief."

Bielsa's legacy at Elland Road can never be diminished after he guided the club back to the top flight, but Marsch's blueprint was in evidence as goals from Brenden Aaronson, Rodrigo and Jack Harrison left Chelsea floundering.

The former New York Red Bulls, Salzburg and Leipzig head coach said: "I know the fans are so intelligent, I hope to see a little bit more of what the tactics are and what we are trying to accomplish."

"They learned in the past with the way Marcelo liked to play, now they are starting to gather more

By PAUL THOMAS

information about what my tactics look like.

"It is an intelligent crowd and passionate. Winning always helps, but in some ways performances are more important."

Marsch's summer signings Aaronson, Tyler Adams and Marc Roca were among the stand-out performers in a rampant team display against Chelsea.

"We had to build match plans that included what it means to play here," Marsch added.

"We did that with the players we have added and now it is coming together in a lot of different ways."

"This league keeps you honest every week, so you can't feel too good about yourselves."

"We should feel positive and believe, but we have to keep pushing and being hungry."

### Focus

It could have been a different story had Chelsea converted any of their chances and not gifted Aaronson's opener through keeper Eduoard Mendy's howler.

Raheem Sterling, Marc Cucurella, Mason Mount and Reece James were either off target or had efforts saved, but ultimately Tuchel's side folded under Leeds' swarming intensity.

Chelsea's net spend under new owner Todd Boehly this summer is around £155million and Tuchel hinted they could still be in the market for a new central defender.

"I don't know, we need to wait," the German said. "The transfer period is still open. It gets later or later and we need to focus on what we have and what we can do."

"We can play at a high level, but we lost track and there was no need. We were not forced to lose track, everything was going well."

LEEDS LEGEND: Bielsa

BIG JESSE: Marsch knows it's a long haul to win over all the Leeds United faithful

# IT'S KUL TO PLAY FOR SPURS

By ANDY MILLOM

TOTTENHAM star Dejan Kulusevski says he enters a "different world" when he plays now after a brilliant introduction to life in England.

The Swede arrived in the Premier League in January from Juventus and had an instant impact, helping Spurs to Champions League qualification.

He has made more assists in that time than any other player and added six goals.

The 22-year-old was the catalyst behind Tottenham's revival against Wolves at the weekend.

"I can attack the goal more for sure. Sometimes I'm just

in a different world when I play," he said.

"I feel so comfortable sometimes, so I just play and have fun."

"But Antonio Conte doesn't want me to have fun. He wants me to kill the opponent in a sporting way."

"I feel very good. I think I can do better but the important thing is always to be humble, to work harder because we have a goal this season and I think we can do it."

Spurs, who remain unbeaten this season, started

poorly, just as they did at Chelsea last weekend, but found a way to win.

"Conte was angry but we were all angry at ourselves. Early in the game we didn't wake up, we didn't play good," he said.

"We played a little bit with fear. We have to improve. We have a good team like we showed in the second half but we have to show that from the first minute. We have a lot of improvement to do."

"We have to win. It doesn't matter how you play, you have to win. It was a very good result and we're very happy."

Spurs have scored more

goals from free-kicks this season and Harry Kane believes that will make a big difference.

He said: "We've been working on them in training."

"We see it as a real opportunity to break the deadlock in games. We know how important set-pieces can be in tight games especially. Two in two now, hopefully, we can keep it up."

"We've had plenty of time, we've had one game a week for the last three weeks, so leading up to two days before the game, a couple of days looking at what the opposition do, looking at how we can exploit that."

OFF TARGET: Gordon

## Gordon can get more goals says Lampard

FRANK Lampard is keen to help Anthony Gordon develop into an efficient goalscoring midfielder while at Everton.

The highly-rated Gordon has been linked with a move to Lampard's old club Chelsea but the Toffees hope to keep the dynamic 21-year-old.

Lampard feels one of the next phases in Gordon's development will be to improve his finishing.

Having been a prolific goalscoring midfielder himself, this is a subject the Everton manager knows plenty about.

As a player, Lampard joined Chelsea at the age of 22 in 2001 and went on to become their record goalscorer over the course of a glittering 13-year spell with the London club.

Interestingly, however, Lampard is not sure he would have hit the ground running had he moved at a similar age in the modern game.

Lampard said: "At 20 I wouldn't have got into a modern-day Chelsea team with the way I was playing. I would have had to go there and find my way into the side."

"I wasn't feeling as confident to rack up big numbers until I was in my low to mid-twenties – 23, 24 and onwards."

"It is a process, and players can improve on it by working time and time again, recreating situations and positions to get better at it."

"The more they see that works, the more confident they get and the better players they become."

"We work on it all the time. It is a general thing we work on with attacking players."

Lampard feels there is a lot to work on but is convinced Gordon has the desire to do so.

He said: "Anthony is a great professional, he has a great hunger as a young lad."

"He wants to work on his finishing."

"Some of it is just pure development – as a young player who gave us so much last year in his output, the goals will just come."

"But it takes a bit of time sometimes to get that in your game."

"Even for some of the greatest players, to expect them to be plundering goals at 21-22 is not always the norm."

"But Anthony has a lot of strings to his bow and the goalscoring one will come."

# GUARDIOLA'S MEN HAVE WORK TO

# STONES: WE NEED TO BE ROCK SOLID

## City defender admits back problems at the champs could hit title defence

**JOHN Stones says Man City won't defend their title while they can't defend their goal.**

The reigning Premier League champions trailed 3-1 at St James' Park on Sunday before mounting a concerted fightback to snatch a 3-3 draw from a classic encounter.

And he blamed himself for at least one of the Toon's goals.

Stones and his team-mates left Tyneside happy with their response in adversity, but disappointed that their resilience had not yielded all three points and with work to do.

The England defender said: "Newcastle have come out fighting right from the start with a high tempo and we had to match it. I don't think we did after the first goal and that's why we got punished."

"The second half was a different game, a lot of chances, kind of found our rhythm a bit more and to come

back like that and get a point out of the game is credit to the lads and credit to our fighting spirit."

"We've got to improve again for the next game."

City headed from Newcastle to a warm weather training camp in Catalonia during where they are playing a friendly against Barcelona, a charity match for former keeper and coach Juan Carlos Unzué, who has been diagnosed with the incurable condition amyotrophic lateral sclerosis.

### Forced

Defender Nathan Ake is sitting out as a result of the groin injury which prompted his premature withdrawal at St James' Park.

But those players who are put through their paces in Spain will hope to address the issues which made life so difficult in the north

east – and gives their title rivals plenty of hope.

Having forced their way into a fifth-minute lead through Ilkay Gundogan, the hosts hit back as Miguel Almiron and Callum Wilson turned the game on its head before Kieran Trippier's free-kick, awarded for Stones' challenge on the flying Allan Saint-Maximin, left the Magpies contemplating a famous victory.

However, Erling Haaland's third goal in as many league games and a fine equaliser from Bernardo Silva restored parity, and Haaland might have won it as Guardiola's men produced a rousing finish.

Asked how it had been to play in such an energy-sapping contest, Stones said: "To be honest difficult, very difficult."

"We knew the quality that they had and it was a difficult end-to-end game."

"We didn't play to our usual

standard and were a bit frustrated at the end."

"A silly tackle from me on the edge of the box to kind of widen the game, and then we showed great character to come back."

"We could have maybe taken some more of our chances, I think that was the feeling coming off the pitch at the end a bit defeated that we've not come away with the three points in the end."

### Move

There was some good news for Guardiola and City as Bernardo Silva appeared to commit his near future to the club.

There have been strong rumours linking the playmaker with a move to Barcelona before the window slams shut.

The Catalan giants are certainly keen to bring him in and the Portugal international was believed to be right up for the move. But, possibly

# DO SAYS ENGLAND STOPPER

**TOUGH AT THE TOON:** Stones knows he and City must improve on their Newcastle display

down to financial issues at Barca, it looks as though he will be staying with the Premier League champions for the rest of this campaign – or at least until the next window after the World Cup.

Bernardo said: "I'm happy here, it's a club that loves me and that I love."

"I will always give my best for this club and this year will be the same as ever."

City's hand is strengthened as Bernardo still has almost three years left on his contract at the Etihad.

That means Barca can't get him on the cheap and Guardiola has no need to sell him.

Paris St Germain have also been sniffing around but Silva has made it clear that he is only interested in moving to the Nou Camp if he leaves City.

He is on record as saying it is his dream to pull on a Barcelona shirt

and wants to fulfil it before the end of his career.

Guardiola will be pleased that the interest in Silva has faded because the player he was lining up to replace him has instead made a surprise move to Wolves.

Matheus Nunes was the man in question after a series of good performances for Sporting Lisbon.

How strong City's interest was is not clear but they wouldn't have let him go to Molineux had it looked like Silva was on his way.

Reports in Portugal suggest Nunes, 23, wants a season with Wolves to show his abilities in the Premier League so that one of the bigger boys come calling.

Liverpool were also being linked and the Reds are looking for new midfielders.

The Midlanders are likely to let him leave if he's a success – but for a hefty profit on the £42m they have paid Sporting for his services.

## ALFIE MUST GO SAYS SOUNESS

RANGERS legend Graeme Souness is urging the club to ditch hitman Alfredo Morelos.

The former Ibrox manager is angry that the striker saw red for the EIGHTH time in a Light Blues shirt at the weekend.

The Colombian was only on the pitch for eight minutes before he was dismissed in the 2-2 draw against Hibernian.

Souness said: "It comes to a point with a player like that where you have to cut your losses in my opinion."

"Going back to when I was a manager, you are going to a game at Parkhead with a volatile atmosphere and you don't know what you are going to get from him. You don't know how long he will be on the pitch."

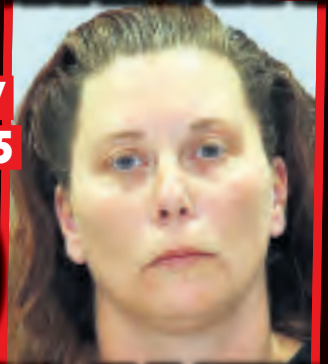

"I think it is a fact that you can't trust him in big games. He gets goals but if they are offered good money for him I would take it."

return to London as Chelsea look for a ready-made goal scorer who already has Premier League experience.

Aubameyang – who has the Pea moniker thanks to his initials – will cost in the region of £17m but it could rise past the £20m mark after add-ons related to his

performance at Stamford Bridge.

It seems a strange move by Chelsea to sign a 33-year-old but he is being reunited with boss Thomas Tuchel who he played under during his successful spell with Borussia Dortmund in Germany.

The Gabon striker left Arsenal under a cloud but,

on the pitch, he was largely a success for the Gunners and that form earned him the move to Barcelona in the first place.

Chelsea need more power up front after offloading both Timo Werner and Romelu Lukaku while Kai Havertz has struggled to find his form this season next to Raheem Sterling.
